SAREE DISTRIBUTION

Bethel Life Welfare Foundation

organized a saree distribution event in Wadala, dedicated to supporting underprivileged women in the community. The event aimed to bring joy and a sense of dignity to these women by providing them with new sarees, a gesture that symbolizes respect and care. Volunteers and Foundation members were on hand to personally distribute the sarees, engaging with the women and listening to their stories. This initiative not only brightened the day for many but also reinforced the Foundation's commitment to empowering and uplifting the lives of those in need.

CLOTHES DISTRIBUTION

CLOTHES DONATION

We organize cloth distribution camps in slums, orphanages and old age houses. We as an organization strongly feel about destitute and for us nobody should suffer the lack of clothes. And distribution of blankets in all rain baseras for helping needy families.

CHILD DEVELOPMENT

It is said mental, physical and emotional faculties grow rapidly in the formative years of the child. This is the time a child needs maximum care, love, nutrition, hygienic and a protective environment.

Bethel Life Welfare Foundation has been focusing on holistic child development with different socio-economic background including underprivileged and marginalized children.

Bethel Life Welfare Foundation has a unique model of "Early Childhood Care and Development" center by involving different stakeholders and extending the holistic support to the children from 2 to 5 years of age ensuring Safety,

STATIONARY DISTRIBUTION

Education is every child's birth right. Unfortunately, there are too many kids who go to school but do not get basic stationary such as notebooks, pencils, erasers, pens, colour boxes, school bags etc. There are times when the kids do not even have text books even though they wish to study and appear for exams. We, in Bethel Life Welfare Foundation , are trying our best to reach out to many such kids in every possible way. We distribute stationary material free of cost, amongst the kids living in slums as well as less privileged kids studying in government schools. Each year, we organize a Diwali kit distribution program which includes the above mentioned stationary. We educate the parents and communities that all children need education , Make the learning a fun and rewarding experience for the disadvantaged children . We offers an excellent environment for learning and makes children feel better to improve their knowledge and skills.

BLANKET DISTRIBUTION

We are providing winter blankets to patients, people living on the streets every winter. Our organization runs Blanket Donation Campaign, where we provide high-quality warm blankets to the underprivileged living in the in our country.

There is no better gift than providing warm clothing to the needy during the winter season. Lakh's of homeless experience bitterness of winter and are at great risk of suffering from severe illnesses, but at the same time, it has given us an opportunity to serve humanity by donating blankets to the needy. There cannot be a bigger satisfaction than saving someone's life.
